[Docket Number FRA-2006-24647]

Petition for Waiver of Compliance

Under part 211 of title 49 Code of Federal Regulations (CFR), this document provides the public notice that on September 3, 2021, the Hoosier Valley Railroad Museum (HVRM) petitioned the Federal Railroad Administration (FRA) for an extension of a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 219, Control of Alcohol and Drug Use. The relevant FRA Docket Number is FRA-2006-24647.

Specifically, HVRM requests an extension of existing relief from 49 CFR part 219, subpart E, Reasonable Cause Testing; subpart G, Random Alcohol and Drug Testing Programs; and subpart K, Referral Programs.¹ HVRM is a volunteer-operated, non-profit operating railroad museum, located in North Judson, Indiana. HVRM requests this extension due to its limited weekend operating schedule and Chesapeake & Indiana Railroad's (CKIN) weekday schedule. On those few occasions each year where local communities have festivals, HVRM and CKIN maintain communication regarding HVRM's operation times.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing
